House Passes Compromise Farm Measure

**Mounting Pressure
From Back Home
Brings New Effort**

WASHINGTON (AP) — The House, pressed for action by the farm belt, today passed and sent to the Senate an eleventh-hour compromise farm bill.

Yielding to the pressure from farmers and the cotton-textile industry, it reversed action of last week to break a legislative stalemate in the closing days of the Congress.

The compromise bill, pronounced satisfactory by the Eisenhower administration and Democratic House leaders, was passed under abbreviated procedure requiring a two-thirds vote.

Passage was by voice vote.

The result was expected to provide the Eisenhower administration with much of what it has demanded in the way of lower price supports and more flexible management of the farm program.

It would also forestall an impending cut in cotton and rice acreage which Secretary of Agriculture Benson has said would be disastrous to farmers.

Textile manufacturers faced higher cotton prices in the absence of legislation slashing government price supports for the fiber. They would benefit from a gradual lowering of support levels and a corresponding decrease in market prices for cotton. Thus, they have been among the strongest backers of a compromise.

The end of the House deadlock was announced by House Speaker Sam Rayburn (D-Tex.), who earlier declared there would be no new farm bill in the House after two defeats and a presidential veto of farm proposals this year.

Republican overtures were accepted by House Democratic leaders, however, and Rayburn announced he was calling up at today's session a bill which he said "everybody will support."

In the Senate, Sen. Mike Mansfield (D-Mont.) said that without an agreement cotton state senators would keep Congress in session "until hell freezes over."

Sen. George Aiken (R-Vt.) said he doubted that the House compromise version would be completely acceptable to the Senate and would have to go to conference for adjustment of differences. But he said there were no insurmountable difficulties.

The compromise announced by Rayburn differed only in minor degree from the bill killed by the House less than two weeks ago.

It would forestall sharp acreage cuts in cotton and rice next year, provide for a gradual lowering of support levels during 1959 and 1960, and give Benson a flexible price support range between 90 and 65 per cent of parity.

But the compromise bill eliminates proposed alternate price support floors of \$1.18 a bushel for corn, 30 cents a pound for cotton and \$4 a hundredweight for rice.

It retains House provisions for continuing the 25-year-old concept of parity for computing support levels of cotton and rice. It also gives corn farmers the choice of continuing the present farm program or accepting a new principle of calculating supports on the average of market prices for the three preceding years. Corn growers would also have the choice of taking a floor of 65 per cent of parity and no acreage allotments. Parity is a legal standard deemed fair to farmers in relation to their costs.

The Senate bill would eliminate the parity principle and substitute the average market price method for calculating supports. It provides for a support floor of 60 per cent, with alternative floors of \$1.15 a bushel for corn, 30 cents a pound for cotton, and \$4 a hundredweight for rice.

Benson has called for lowering price supports to a range of 90 to 60 per cent of parity. He also has backed the "market price" support principle.

Both House and Senate bills would continue cotton price supports at from 75 to 90 per cent of parity during a 1959-60 interim period, with a drop to lower levels in 1961-62.

Tomato Dragged Through Tomatoes

VAN NUYS, Calif. (AP) — He only dragged her through a tomato patch, didn't hit her.
Police said that's what Robert M. Connelly told them after his wife Maxine, 41, complained. She didn't like it when he made her sleep in the chicken coop for three nights either. Connelly drew a 25-day jail sentence.

1,100 Fayette Countians Visit Jets

JETS MEET JETS—Players of the Washington C. H. Coca-Cola Jets swarm around Gair Allie, (center), an infielder for the Columbus Jets of the International League. This was at "Fayette County Night" held Wednesday at the Jets Stadium.

Fayette County took over Columbus Jets baseball stadium Wednesday night as more than 600 local adults and 500 junior ballplayers participated in the second annual "Fayette County Night" at the big International League park.

It was the highlight of the season for all the Little League and Babe Ruth League players in the city and county who paraded around the field before the game between the Jets and Toronto.

Although the Jets lost the free scoring game, 9 to 6, everyone

had a good time and enjoyed themselves.

The purpose of this special night was to give the local leagues a chance to make money for equipment and to help maintain the ball parks.

RALPH BRAY, who was in charge of the ticket sale, reported that around \$300 was netted. The leagues received 50 cents from each ticket sold here.

Last year, the first time for "Fayette County Night," the pro-

gram netted \$400. "The weather has been bad all season this year and it has hurt attendance," Bray said in explaining why not as much money was made this time.

But, the weather was perfect for the game last night, in which six home runs were clouted, giving several of the Little Leaguers their first excitement of a big league ball game.

Before the game, each team with the managers, marched around the field to the cheers of their parents and friends who were sitting in the stands. All were in uniform.

The ballplayers marched to centerfield where they stood at attention for the "Star Spangled Banner." The Washington C. H. High School band was missing from the parade this year.

THE BALLPLAYERS and visitors from Fayette County had ideal seats for the game between home plate and third base. "It was just a picnic for the Little Leaguers as they kept stuffing themselves with hot dogs and soft drinks," Bray said.

George Finley, who was general chairman for "Fayette County Night," added that splendid cooperation was received from the Jet officials and "we are sure looking forward to holding this again next year."

Birdie Quits As Manager Of Redlegs

CINCINNATI (AP) — Birdie Tebbetts resigned today as manager of the Cincinnati Redlegs baseball club.

He announced his decision himself as Gabe Paul, general manager, listened.

Tebbetts had been manager of the Redlegs since Sept. 29, 1953. "This was not an easy decision to make, because I have always felt that a manager should never quit," Tebbetts said, adding: "I had a meeting with Gabe Paul last night after the Milwaukee game and again this morning, at which time he told me that I was not to be fired."

Tebbetts said he was not resigning because he felt that he had not been doing a good job, "but solely because, in my heart, I believe that it is better for Cincinnati baseball that someone succeed me."

Jimmy Dykes, coach, will be in charge of the club until a successor is named, Paul announced. Cincinnati has had six managers since Bill McKechnie resigned in 1946 after leading the club for nine seasons. Johnny Neun managed in 1947 and 1948. Bucky Walters took over for 1949, then came Luke Sewell for two full seasons, and part of a third.

Sewell was succeeded by Rogers Hornsby. Then came Tebbetts. It has been rough going for Tebbetts all season, and the climax came when the team dropped into last place in the National League following a double defeat by Milwaukee Wednesday night.

Nationalists Claim
2 MIG's Downed
TAIPEI, Formosa (AP) — The Chinese Nationalists claimed they shot down two Communist MIG17s and possibly a third today in a battle over Formosa Strait.

The battle was fought 15 to 20 miles south of the Nationalist held island of Matsu, off the Communist mainland. It was the first big clash since MIGs shot down two Nationalist F84 Thunderjets July 29.

No charges were filed against them immediately.

Fear 99 Dead as Dutch Airliner Falls in Ocean

KLM Wreckage Sighted Off Irish Coast

**Deaths of All Aboard
Would Go Down as
Worst in Air History**

SHANNON, Ireland (AP) — A KLM airliner with 99 persons aboard crashed off Ireland today, the Dutch airline announced. It said hope for survivors was slight.

The Super Constellation was en route to New York from Amsterdam via Shannon. It carried 91 passengers and 8 crewmen.

The deaths of all 99 aboard would make this the worst disaster involving a single plane in the history of commercial aviation.

Wreckage in the storm-swept Atlantic Ocean was sighted by the British Air Force. KLM gave the scene of the crash as 130 miles west of Ireland.

It said 11 of the 91 passengers were Dutch and the rest American, French, German, Israeli, Polish and British. There were several children aboard.

It was the worst crash in the almost 40-year history of the Royal Dutch airlines.

"Although nothing is known at this moment with certainty concerning the fate of the passengers, we must to our regret estimate there is little hope that there are any survivors," a KLM statement said.

Ships and planes were rushed to the scene in the hope that some may have survived the crash in the stormy Atlantic.

A Trans World Airways pilot reported encountering a terrific squall in the Atlantic off Ireland.

"We hit a very bad squall," said Capt. Everett Wolf after landing in London. "If that KLM plane had engine trouble she really might have been in a bad way." Wolf said the Dutch plane, after taking off from Shannon, would have been in a lower strata of the weather than his plane.

"It was really rough down there," he said.

"We were a bit above the weather, but brother, we felt it. The squalls with rains lasted 25 to 30 minutes."

He said the KLM sky giant may have hit the squalls as it climbed out from Shannon.

Radio contact with the plane was lost several hours before the KLM spokesman's statement.

A Pan American Airways cargo plane reported it intercepted an SOS while en route westward across the Atlantic. The Pan American plane was 450 miles east of Gander, Nfld., at the time — 9:08 a.m. today.

The British Air Ministry said wreckage and a number of dinghies were sighted by Royal Air Force planes flying over the stormy Atlantic.

Britain OKs Ike's U. N. Plan; 'Disappointed' with Gromyko

UNITED NATIONS, N.Y. (AP) — Britain today welcomed President Eisenhower's Middle East peace plan as a solid foundation for "reconciling our points of view" and achieving constructive results.

The British position was outlined by Foreign Secretary Selwyn Lloyd before the emergency session of the 81-nation General Assembly which was opened Wednesday by Eisenhower.

While throwing Britain's full support behind the President's six-point plan for bringing political and economic stability to the Middle East, Lloyd expressed sharp disappointment over the tone adopted by Soviet Foreign Minister Andrei A. Gromyko in the opening Soviet speech.

Informed quarters said Britain and the United States were in close consultation on a resolution, dealing with part of the Eisenhower program. This was understood to cover some political aspects, including the establishing of conditions which would make possible the withdrawal of U.S. forces from Lebanon and British troops from Jordan.

Of Eisenhower's proposals, which includes a U.N. police force to keep the peace in the Arab world, the economic aid program won widest initial support. Arab diplomats indicated privately they were impressed with it, although

only Jordan — already heavily dependent on U.S. aid — gave it open endorsement.

Jordanian Delegate Monem Rifai told the Assembly Eisenhower's proposals "fill our hearts with

hope and satisfaction."

Soviet Foreign Minister Andrei Gromyko, who followed Eisenhower to the Assembly rostrum, said the economic aid program required careful consideration. He insisted, however, that first U.S. troops must get out of Lebanon and British forces must leave Jordan.

Gromyko on Tuesday submitted a resolution asking the withdrawals with U.N. observers to check up on them. The fourth and last speaker at Wednesday's session, Foreign Minister Mahmoud Fawzi of the United Arab Republic, endorsed the Soviet resolution, saying it was moderate and deserved consideration. He made no comment on Eisenhower's proposals.

The subdued tone of Gromyko's speech, like that of the Soviet resolution, surprised Asian and European diplomats. Some expressed hope that the lack of fireworks in both the U.S. and Soviet presentations presaged a smooth, constructive Assembly session.

Ceylon and India were reported working on separate resolutions calling for withdrawal of the U.S. and British forces.

The Ceylonese proposal also called on U.N. Secretary General Dag Hammarskjold to take steps to get the major powers into a conference on Middle East problems. Hammarskjold had indicated willingness to participate in a big power summit meeting suggested July 19 by Soviet Premier Khrushchev but it fell through. Whether Hammarskjold himself could drum one up was doubtful. The draft for which India reportedly was seeking cosponsors called on Hammarskjold to make another survey visit to the Middle East, which he last visited in June.

British Bank Rate Is Cut to 4½ Pct.

LONDON (AP) — The British bank rate was reduced today from 5 to 4½ per cent.

The reduction, fourth in five months, will mean cheaper loans and freer circulation of money in Britain. It is a spur to business activity.

The new rate compares with a rate of 7 per cent imposed last September when inflationary pressures were at their peak.

The bank rate is set by the government — controlled bank of England and represents the interest the bank charges on money it makes available to other financial institutions.

A-Sub Seawolf After Record

WASHINGTON (AP) — The U. S. atomic submarine Seawolf apparently is striving for a new underwater endurance record while on a cruise in the North Atlantic.

The USS Kate, another nuclear sub now on an exploratory trip in the North Pole region, holds the record for longest time underwater — 31 days, 5½ hours.

A Navy spokesman said the Seawolf, which left Groton, Conn., Aug. 5, is undergoing tests to determine how long the sub and its crew can function away from the earth's atmosphere.

The Seawolf, one of the nation's three atomic submarines now in service, was commissioned in March 1957. Her skipper is Cmdr. Richard Laning of Amherst, Va.

Ike Riled by U.S. 'Surrender Study'

WASHINGTON (AP) — "I've never seen the President so mad. He turned everything upside down in the Pentagon getting to the bottom of it."

That is how a senator describes President Eisenhower's reaction on learning of reports that defense officials are studying the possibility of a U.S. surrender in a nuclear war.

The senator refused use of his name, saying Eisenhower and Defense Department officials had urged secrecy on the matter.

There was no immediate comment from the White House or the Pentagon.

In relating the story Wednesday night, the senator said Secretary of Defense McElroy and other Pentagon leaders had assured the President "there is no thought or

plan for surrender and the studies were only theoretical."

The directive for the surrender study, the senator said, was made by John B. Macauley, deputy assistant defense secretary for research and engineering.

It was described as part of an over-all study of all possibilities

of a war between the United States and the Soviet Union, including conditions under which either side might be forced to surrender.

Eisenhower, however, flared at the suggestion that U.S. officials were even considering the possibility of a surrender, much less making a study, the senate informant said.

Eisenhower is reported to have first heard of the study from Senate Republican leaders at a White House conference last Tuesday.

They were said to have called attention to an insert made in the Congressional Record Aug. 8 by Sen. Stuart Symington (D-Mo.), noting an article in the St. Louis Post-Dispatch by its military writer, retired Army Brig. Gen. Thomas Phillips.

The story said a study was under way as to when this country should surrender in an all-out nuclear war.

Symington, a former secretary of the Air Force, used excerpts from the article to renew his criticism of administration military policy.

First Marine Unit Sails from Beirut

BEIRUT, Lebanon (AP) — The first element of the withdrawing American Marine battalion sailed from Lebanon shortly after noon today, presumably to rejoin the 8th Fleet patrolling the eastern Mediterranean.

The beaches were cleared of the supplies of the 2nd Battalion of the 2nd Division—a 1,700-man force under orders not to withdraw from Lebanon after a stay of nearly a month. The withdrawal is scheduled to be completed Friday.

Legal Move Made To Free Dr. Sheppard

COLUMBUS, Ohio (AP)—Attorneys for Dr. Samuel H. Sheppard, convicted Cleveland wife-slayer, asked the Ohio Supreme Court today to release him from Ohio Penitentiary today on a writ of habeas corpus.

Attorneys William J. Corrigan and Fred W. Garmone of Cleveland filed the petition. They claimed Sheppard is serving a life sentence in violation of his constitutional rights and due process of law.

The petition asserted authorities in charge of the Sheppard prosecution concealed and suppressed material evidence beneficial to Sheppard.

The petition also claimed that scientific research and other evidence obtained after Sheppard's conviction proves him innocent. Sheppard "did not have a fair and impartial trial" the petition also set forth.

Garmone said counsel planned to take testimony from a number of witnesses to support their claims. He declined to elaborate.

Sheppard was convicted of second degree murder of his wife Marilyn on the morning of July 4, 1954, in their Bay Village home beside Lake Erie we. of Cleveland.

Attorneys for Sheppard fought his conviction through the highest courts. The Ohio Supreme Court affirmed lower courts in a 5-2 decision. The United States Supreme Court refused to consider an appeal.

Sheppard was a practicing osteopath at the time of his wife's slaying. He has had various duties in the penitentiary since entering there, and now is a nurse in the prison hospital.

City School Board

(Continued from Page One)
There would be no change in present noon dismissal times which vary with the grades.

Afternoon classes will begin at 1 p. m. instead of 1:05 p. m. and dismiss five minutes earlier.

THE BOARD took steps to contract for curbs, sidewalks and playground surfacing at the new buildings and additions. Estimated cost of the work is \$15,000.

The matter of placing an additional school operating levy on the ballot in November was tabled until total tax valuation figures are available. The amount to be sought is still open for consideration.

A report presented to the board disclosed that while the Washington C. H. city school district is exactly the same in area as the municipality itself (4.14 miles, according to the report), Greenfield, with a municipal area of 1.45 sq. miles has a city school district of 107 square miles, and Wilmington, with a corporate area of 6 square miles, has a city school district of 118.1 square miles.

The Xenia school district has an area of 75 square miles, although the municipal area is only 4.675 square miles.

A letter from the State Department of Education disclosing that contracts have been approved for a city-county survey was read at the meeting.

THE BOARD was informed by the superintendent that he plans to spend two hours a day, four days a week, supervising classes, and one day in every two weeks visiting classes, libraries and administrative offices in colleges or other schools in the area in the interests of developing the local program.

In other business the board agreed to continue the present school accident insurance policy with the Nationwide Insurance Co.; Accepted the Ashtand Oil and Refining Co.'s bid of 12.1 cents per gallon delivered (plus 1 per cent discount) for supplying fuel oil to the various buildings;

Approved invitations to business men and women to visit city schools as a part of an October program being planned by the Chamber of Commerce;

Paid current bills totaling \$50,349.79.

Agreed to hold its next regular meeting on Wednesday, Sept. 3.

Deaths, Funerals

Mrs. D. W. Martin

Mrs. D. W. Martin, 87, of 1414 Washington Ave., died at 4:25 a. m. Thursday in Memorial Hospital where she had been a patient since becoming ill two weeks ago.

A native of Illinois she moved to Dayton in 1893, and 10 years later came to Washington C. H. where she had been a resident ever since.

She was a member of Grace Methodist Church.

Mrs. Martin, whose husband, Daniel, died in 1938, is survived by two daughters, Mrs. Ellis Daugherty, 1006 Briar Ave., and Mrs. Harold Rodecker, Washington, D. C.; one grandchild; two great-grandchildren; one great-great-grandchild, and a brother, Frank Michael, 921 Yeoman St.

Services will be at 2 p. m. Saturday in the Gerstner Funeral Home where friends may call after 1 p. m. Friday. Burial will be in Washington Cemetery.

U. N. Session Shows Envoys Given 'Scare'

UNITED NATIONS, N.Y. (AP)—The emergency session of the U.N. indicates the world's statesmen have had a scare.

"Sober" was the word used more than any other here to describe Wednesday's opening session on the Arab East. All fully appreciated the gravity of the crisis and the possible consequences from it.

The emergency session now boils down to a three-way contest over the future of Arab nationalism.

The United States is hopeful that this force — President Eisenhower called it "a great surge" — can be persuaded to provide the energy for a stable community of Arab nations. To this end, the United States has pledged support to whatever feasible economic goals the Arabs may feel suit their needs.

The Soviet Union, moving cautiously in a dangerous situation, says it too is in favor of economic betterment of a long-neglected, backward area. But many of its policies have left little doubt that communism would prefer to keep the area in ferment and off balance.

The third contestant is Gamal Abdel Nasser of the United Arab Republic. He cannot yet be absolved of the suspicion that he sees Cairo — and himself — as the eventual master of an enormous strategic slice of the world.

Paint Firm Accused of Price Fixing

CLEVELAND (AP)—The government has filed a civil antitrust action against the Sherwin-Williams Co. of Cleveland and six of its affiliates, charging the world's largest manufacturer of paints with allegedly conspiring to fix prices.

The petition, filed Wednesday in Federal District Court here, charged that for many years the defendants have maintained an arrangement to fix wholesale and retail prices of Kem paint products, a line of paint, enamel and varnish and the products used to apply them.

Sherwin-Williams' president, Arthur W. Steudel of suburban Lakewood, said: "I can have no comment on it (the suit) until we have had a chance to study it."

Named in the suit with the parent company were:

The Martin-Senour Co., Chicago; John Lucas & Co., Philadelphia; W. W. Lawrence & Co., Pittsburgh; The Lowe Brothers Co., Dayton, Ohio; and Acme Quality Paints, Inc., both of Detroit.

The complaint charged that jobbers and retailers were induced to follow the pricing, and that Sherwin-Williams and its affiliates agreed to refuse to supply outlets which did not adhere to the prices.

New Yorker Killed

CLEVELAND (AP)—George L. Poole, a 33-year-old Buffalo, N. Y., salesman, was killed when his car collided with two others here Wednesday.

Dinosaurs ruled the earth for about 120 million years, says the National Geographic Society. Some of them reached a length of 80 feet and weighed about 50 tons.

Antiradiation Pill's Value Is Doubtful

BURLINGTON, Vt. (AP)—An American scientist warned today that no antiradiation pill ever will be a match for the H-bomb.

At the same time a French scientist expressed doubt that pills thus far developed are as protective against atomic rays as their makers believe.

Earlier this week Dr. David G. Doherty of the Oak Ridge National Laboratory reported to the International Congress on Radiation Research on a cheap pill which he said could reduce injury from a given amount of radiation by 50 per cent.

Today Dr. Walter Gordy of Duke University cautioned against giving people the "false hope" that they can be immunized against radiations such as would be loosed upon them in all-out hydrogen warfare.

In any event, Gordy said, "they can always make the H-bomb bigger faster than they can make the pill bigger." He said the only good protection against nuclear war is peace.

KLM Wreckage

(Continued from page One)

A London Airport official said bodies and wheels of an airplane had been sighted in the water west of Ireland.

KLM officials at Amsterdam said the plane was an extra flight on the regularly scheduled No. 607 run.

The airliner was missing after a takeoff from Shannon bound for Gander, Nfld. Officials here were unable to say immediately just how far out over the Atlantic the plane was when contact was broken.

Dirkzwagers Shipping Agency at Rotterdam gave the last position of the plane — as monitored by their operatives at Shannon — as roughly 1,000 miles west of the Irish coast.

A KLM airline spokesman said in New York the plane was not due at Gander until 8 a. m. EST.

A KLM official said sunspot activity might account for the loss of radio contact. But Pan American World Airways said its radio communications over the Atlantic was normal and it had no reports of sunspots.

Stock Mart Heads for Higher Level

NEW YORK (AP)—The stock market snapped out of the doldrums today, and prices headed higher in early afternoon on stepped-up trading.

Traders still were seeking low-priced stocks and specialties. There was an unusually large number of sizable blocks.

The market appeared to be headed for the first three-million share day since last week.

Gains were mostly fractions to a point. Losses were generally small.

Motors, steels, oils and rails worked higher. Metals and aircrafts were ragged.

American Motors was heavily traded and up almost a point at a new 1958 peak. Studebaker Packard hit the tape with blocks of 10,000 and 20,000 shares near midday and rose about 1/2.

Some of the recent favorites which rose fractions included J. I. Case, Loew's and Minute Maid.

Point gainers were Merck, Murray and Republic Steel.

Up 1/2 or so were Youngstown Sheet & Tube, Philco, Air Reduction, Erie Railroad, Chesapeake & Ohio and New York Central.

Main casualty was U.S. Freight, which slid around three points.

U.S. Gypsum declined a point or so.

U.S. government bonds were lower.

Bricker Changes Education Vote

WASHINGTON (AP)—Sen. John W. Bricker (R-Ohio) and three other Republicans switched sides on a roll call vote to give a 46-42 Senate victory to Sen. John W. Cooper's (R-Ky.) amendment limiting federal scholarship grants to \$250 a year.

The action came Wednesday night as the Senate voted to cut the amount of proposed scholar-

ship awards in a federal aid to education bill.

The bill itself passed, 62-26, with Bricker and Sen. Frank J. Lausche (D-Ohio) voting against it.

The Rev. Leonard Simcoe, minister of the Apostolic Church of Pentecost in Manitoba, Canada, is the grandson of an Ojibway Indian Chief.

NEVER A PARKING PROBLEM • 806 DELAWARE AT B&O TRACKS
WASHINGTON'S LARGEST INDEPENDENT SUPER MARKET

"Hire Now! If He Works - You Profit"

There are many good and substantial reasons for employers of Washington C. H. and other parts of Fayette County to cooperate whole - heartedly in the "Hire Now" campaign initiated by the Ohio State Employment Service and sponsored locally by the Washington Chamber of Commerce.

This campaign is about to enter its third week and is gaining momentum rapidly here and elsewhere in the state. Merchants, public and private organizations, individuals including home - owners, are finding many things to employ somebody to do.

They are analyzing the potentials possible if every person becomes interested in alleviating the employment problem which has been with us for many months, and will play his or her part in trying to restore public hiring and greater purchasing power.

Since Jan. 1, this year 664 new unemployment claims have been filed here.

As one local employer pointed out recently, a foremost reason for employers to hire now is that they will be assured thereby of adequate work forces for the business upswing which is generally agreed to be on its way and which is being felt to some degree at this time.

The list of unemployed workers filed in the local OSES office on Market St., at the present time, shows 57 extended claims for unemployment since July 14 of this year. Skilled workmen and compe-

tent "white collar" workers are included. There has seldom been a time when such a wide selection of workers was available as now, Employment Service officials here state.

As a bit of advice to Fayette County employers, these officials declare that "today, not next month or some future date when trends can be observed, is the time to look their organization over, find out its personnel - wise weak points and get it ready for the up - turn in business which is sure to come. Many of those most desirable workers, now available, may be gone at the first sign of this upturn."

These employment officials are asking that everyone cooperate with the merchants, builders, industrialists and with the local employment office. They urge that all those jobs such as remodeling, painting, new sidewalks - anything that is known to be a "must" sometime soon - can and should be done now when time, material and labor are readily accessible. Each job means a payday for some one.

People here in our own community can play an active part in establishing the trend predicted to be noticed. Help is sought to make "busy days mean paydays."

Everyone is asked to remember the slogan - "Hire now. If he works - you profit."

New 'Kitty Foyle' Discovered

NEW YORK (AP)—"Show me a man who won't run away when a girl says, 'I love you,'" remarked Rona Jaffe, "and I'll show you a man who's married to somebody else."

Miss Jaffe, pretty, dark-haired and only 26, is being groomed as the literary discovery of the 1958 fall season.

"My ambition is to be a famous novelist—to be No. 1 on the fiction list," she said.

She may make it this year with her first novel, "The Best of Everything," to be published next month. Some 30,000 advance copies already have been sold, and producer Jerry Wald has snapped up the movie rights for \$100,000.

Rona, a bright and determined daughter of well-to-do parents, was graduated from Radcliffe at 19. She got a job in a publishing firm, wrote and sold eight short stories in the next few years.

Last summer, during a visit to Hollywood, she heard producer Wald say he was looking for "a modern Kitty Foyle."

"Kitty Foyle," by Christopher

Morley, was one of the most successful novels ever written about the "pore working girl."

"I decided then and there I'd write it," Rona said. So she came back to Manhattan, quit her job and settled down to write the realistic story not of one, but of five working girls.

"I had been living with my parents," she said. "But I moved into another apartment to be by myself. I wanted to be frank, and knew I couldn't write it under the roof of the sweet, well-meaning people who were going to get the shock of their lives when they found out what their little Frankenstein had written."

"I set myself a goal of five pages every day. I wrote the book in exactly five months and five days plus"—she smiled archly—"plus the suffering of 26 years."

Magazine editors read the novel in galley proof, gulped, and decided against serializing it. Their verdict: Too spicy. But producer Wald read only 150 pages, then plunked down his \$100,000 gladly. The paperback edition rights sold

for twice the advance received by "Peyton Place."

Miss Jaffe, who has been used to the best of everything all her life, plans no big splurge with her money.

"I already have an apartment, a mink jacket and a sports car," she said, nonchalantly. "I think I'll buy stocks and bonds."

She said working girls today have two major problems—loneliness, and the fact their values change so much they find it difficult to find happiness.

"What they really want isn't a career but someone to love who loves them," she says.

"But they get more and more sophisticated, demanding, cynical, and harder to please. They mature. They're looking for something more than the boy next door."

"What defeats a woman — if anything does — is not to be loved," she said. "You can make a lot of things happen to you in this life if you work hard."

"But one thing you can't do. You can't make another person love you."

U. S. Motives Misunderstood

It used to be said that the trouble with the United States was that it had no foreign policy. That was back in the days when this country was accused of arrogant isolationism.

Then in the administrations from Woodrow Wilson to Dwight D. Eisenhower we became more and more concerned in the affairs of Europe, Asia and Africa until we became world leaders and found ourselves supporting some nations while opposing others.

The development of policy usually is based on self-interest, enlightened or otherwise. The assumption of other nations is that a foreign policy is based on self-interest. But the United States cannot have a foreign policy based on self-interest because this country has no vital interests abroad.

The Monroe Doctrine, for instance, could be constructed as being somewhat concerned with self-interest, but John Hay's "Open Door Policy" was of greater value to Great Britain than to the United States.

When a nation attempts to base its foreign policy on good will, on moral postulates, it arouses the suspicions of other nations who do not quite understand the underlying Calvinism of the American point of view. Thus Max Freedman, the Washington correspondent of the "Manchester Guardian," raises a very interesting point when he reported to his newspaper:

"At his news conference, President Eisenhower was asked a question which echoed the doubts and anxieties in many minds. Was there something fundamentally wrong with American foreign policy? Why were there so many explosions of anger of impatience, in so many diverse places, against the United States? The President's reply, as so often happens these

days, was a mixture of wisdom and error. He spoke in the best American tradition when he said that we cannot make ourselves the boss, whether it be of a country in Africa or anywhere else. We have got to be partners in good faith. But he refused to admit that there might be anything wrong in the purposes of American policy, and he even hesitated to acknowledge important defects in the execution of that policy."

American leadership is in direct succession to British leadership. The collapse of the British Empire and of Great Britain as a primary economic and military power, forced the United States into a position for which this country was unprepared by tradition and interests. We lacked the trained men to take care of all the new activities which world leadership required; we lacked the pressing need to do all the things forced upon us.

The American people were neither proud of nor bothered about the new role in international relations.

The reason for American popular apathy is that no self-interest is involved. We are not building an empire. We seek no territory. We have no aristocracy to export as governors and generals.

We can invest our surplus capital in countries not under our control more effectively than those under our control because of the tax factors. We are not bound by linguistic ties or cultural associations. Most of us speak English of one sort or another, but we also have become accustomed to the 50 or more languages and literatures which our immigrant ancestors brought to this country. More of our population is of German than of British origin.

When there is no self-interest, an ideological position must prevail, for when man's actions are without cause, they are also without purpose. What the United States has consistently sought in its foreign policy is a road to peace. This country has never gained an advantage from war.

Except that we added some territory in the Indian Wars, most of the additions to our territory were by purchase and consent rather than by war. Texas came into the union neither by purchase nor by war, but by accession of the Lone Star Republic.

Territories such as Cuba and the Philippines readily gave their independence, although it might have been better for them had

By George Sokolsky

they remained within the United States.

The principal market for the produce of our farms and factories remains the United States, both exports and imports being a small phase of our economy.

The domestic market is so huge because of high wages and a high standard of living among our people, requiring huge expenditures which in the aggregate produce just under 400 billion dollars of national income.

As peace then is our motive and as we have no imperialistic objectives, our foreign policy becomes a moralistic one and can only be implemented satisfactorily by one who applies the natural law which is usually limited in individuals to the affairs of nations.

John Foster Dulles is superbly suited for this role and is disliked for it, as Carry Nation was disliked for breaking up saloons.

Of course, we are partners in good faith, but it remains difficult for an American to understand why one people should want to govern another or why one people should want to expand its sway over the whole earth.

We simply think that they are crazy.

Lima Records Pair Of Road Fatalities

LIMA, Ohio (AP)—Separate traffic accidents Tuesday night claimed the lives of 14-year-old Donald Roush and 71-year-old Joseph Robinson within five minutes.

The boy was killed when a car struck his bicycle on Greenlawn Rd. The driver of the auto, Lester Stroud, 45, failed to stop and was arrested later at his home.

In the other accident, Robinson died in a 2-car collision at the Fourth Street crossover on U. S. 24 bypass.

Ohio Horse Bets Near \$27 Million

COLUMBUS, Ohio (AP)—Ohioans wagered nearly 27 million dollars on Ohio horse races last month, State Treasurer Roger W. Tracy reported today.

His report showed a total of \$26,809,234 bet at the various running and harness tracks.

The state received \$1,489,513 from taxes on betting. Another \$133,981 was set aside for the newly created Ohio fair fund.

Many Drugs Available For Hay Fever Relief

By HERMAN N. BUNDESEN, M. D.

MAYBE you can't flee to a pollen-free vacation spot until the ragweed season blows over. Perhaps you can't even obtain an air conditioner.

But don't fret. There is still a lot you can do to avoid a bitter season of sneezing and wheezing from the latter part of this month until the middle of October.

Effective Drugs

Your doctor—even your pharmacist—has numerous drugs available, most of which will alleviate your condition, or even cure it.

There are tablets and capsules of various sorts; there are liquids, nose drops, inhalers and nasal sprays. There are more than 100 antihistamines alone on the market.

If your hay fever is really bothersome, I suggest you see your doctor for a specific prescription. Some medicines work better than others on certain individuals.

Needs Vary

For example, you may require a slow-acting antihistamine while the next patient may need a strong antihistamine and the patient after that will require a long-acting one.

For most persons, antihistamine therapy alone will get them through the hay fever season fairly comfortably.

The antihistamines work in this way:

The offending pollen—it's usually ragweed pollen—strikes the mucous membrane of the eyes and nose, releasing a flood of histamine, a colorless crystalline substance. This histamine irritates the eyes and the nose.

And that, put very simply, is what causes hay fever trouble.

How It Works

The antihistamine, as its name suggests, opposes release of the histamine. In fact, it blocks the histamine before it is liberated, before it gets a chance to start trouble.

Antihistamines, of course, aren't the only drugs we have to combat hay fever.

Most of you have heard of cortisone and ACTH. These and some other drugs are even more potent than the antihistamines and can check hay fever as well as more severe allergic reactions.

ACTH and cortisone are dispensed only by a doctor's prescription. That's why I suggest you see your physician or a specialist if you want to have a care-free hay fever season this year.

QUESTION AND ANSWER

W. M. P.: If a person has a growth in the stomach or intestinal tract, would x-rays reveal it?

Answer: In most cases, a growth in the stomach or intestinal tract will be revealed by x-rays.

Lakes Shipping Shows Decline

CLEVELAND (AP)—Shipments on the Great Lakes of iron ore, coal and grain to Aug. 1 totaled 48,324,041 net tons, down from 82,551,100 tons carried in the corresponding period last year.

The Lake Carriers' Assn. reported today that only grain shipments showed an increase over the tonnage moved in the 1957 period.

Grain cargoes totaled 6,169,786 tons compared to 5,189,496 tons the year before.

Coal shipments of 17,790,458 tons were almost 10 million tons below those of last year, and iron ore cargoes of 21,753,390 gross tons were down from 44,523,468 tons moved in the 1957 period.

Open Church
Wedding Plans
Are Completed

Miss Joyce Ann Garringer and
Mr. Raymond Eugene Springer
have completed plans for their
open church wedding which will
be an event of Sunday afternoon
in the Good Hope Methodist Church.
The bride-elect is the daughter of
Mr. and Mrs. Glen G. Garringer
of the Miami Trace Rd. Mr. and
Mrs. Charles Springer of E. War-
ren St., Columbus, are the parents
of the prospective bridegroom.

The double-ring ceremony will
be performed by the Rev. Ralph
Yoss of Columbus at half past
three o'clock.

Preceding the ceremony, a half
hour program of traditional nuptial
music will be presented by Mrs.
Herbert Hoppes, organist.

Miss Garringer has asked Miss
Nancy Rodgers of Good Hope to be
her maid of honor, Little Miss
Connie Christman of Columbus
will be the flower girl.

Mr. Harry Brockman of Colum-
bus will serve as Mr. Springer's
best man. Guests will be seated
by Mr. Donald Strouth, Mr.
Charles Newman and Mr. Charles
Melton, all of Good Hope, and Mr.
Chuck Frieze of Columbus.

Immediately following the ex-
change of vows a reception will
be held in the new home of the bride-
elect and the bridegroom-to-be on
the Miami Trace Rd.

When the explosion of eight Niko-
Ajax missiles happened at Middle-
town, N. J., last May 22, the dam-
ages to houses was \$7,500 and were
quickly paid by First Army. High-
est damage was \$261 for a dam-
aged fire hose belonging to one of
the volunteer fire departments.

Petrified trees (where geologic
action changes the wood to agate)
are still found in northeast Ariz-
ona. Indians once used the un-
usually hard rock to make arrow-
heads.

Miss Garringer
Guest of Honor
At Bridal Shower

Miss Joyce Ann Garringer,
whose marriage to Mr. Raymond
E. Springer of Columbus will be
an event of Sunday, was the guest
of honor at a miscellaneous bridal
shower given by Mrs. William
Garringer, Mrs. Richard Garringer
and Mrs. Kenneth Bowers in the
Good Hope Town Hall.

A yellow and white color scheme
was used for the beautifully de-
corated gift table.

Games were played and prizes
were won by Mrs. Herbert Hoppes
and Mrs. Charles Bowers.

A dessert course, further
carrying out the yellow and white
color scheme, was served by the
hostesses.

The guest list included Miss Nan-
cy Rodgers, Miss Carol Blizard,

Charles and J. P.

SENIOR MYF

The Senior MYF met at the home of Glenn Rankin Monday evening.

The Rev. Richard Jarvis led in prayer and the group sang the hymn, "The Old Rugged Cross."

Mr. Jarvis had charge of the devotionals and also continued the study of 25 verses in the Book of John. The hymn, "Do Lord", was sung to close that part of the meeting.

Helen Louise Sheeley, president, was in charge of the business meeting. Glenn Rankin read the secretary's report and Ruth Ann Sheeley called the roll and gave the treasurer's report. The president read a letter about camp for young people to be held at Sabina Camp Grounds Sept. 19, 20 and 21.

The rest of the evening was spent in planning an ice cream social which is to be held on the lawn of the Milledgeville Methodist Church Friday evening, August 29. Homemade ice cream, cake and soft drinks will be served.

Committees appointed for the social were soft drinks, Frances Klontz and Helen Louise Sheeley; advertising, J. P. Morgan, Judy Blair and Glenn Rankin; soliciting, Joan DeWeese, Kathy Allen, Marcella Zimmerman, Linda Young, Ruth Ann Sheeley, Jackie DeWeese and Charles Morgan.

Refreshments were served at the close of the meeting.

Those present were Kathy Allen, Judy Blair, Joan and Jackie DeWeese, Frances, Vernon and Roger Klontz, Linda Young, Rev. and Mrs. Jarvis and daughter Joan, Ruth Ann and Helen Louise Sheeley, Marcella and Hugh Zimmerman, Charles and J. P. Morgan and the host and his family, Mr. and Mrs. Edward Rankin and son, Johnny.

BOY SCOUT TROOP

Milledgeville Boy Scout Troop 303 met at the Methodist Church Tuesday evening. Scoutmaster Donald Hodge was in charge. Frankie Yoakum gave his usual report.

The evening was spent in making final plans for a camping trip to Pike Lake. The group will meet at Edward Rankin's garage at 1 p. m. Thursday. Each Scout was given a list of what they will be required to take on their trip. They will go to Pike Lake and set up camp and then have a picnic supper. Each Scout paid his \$5 for camping fees.

The meeting was dismissed with the Scout benediction, led by J. P. Morgan.

Scouts present were Larry Conley, Joe Lane, Johnny Minton, Johnny Bartruff, Roger Hodge, Alan Bartruff, Vernon Klontz, Curtis Hiser, Randy Dice, Ricky Huff, Frankie Yoakum, David Harris, Glenn Rankin and J. P. Morgan. Adults present were Scoutmaster Donald Hodge, Eugene Klontz, Fred Hodge and Edward Rankin.

SONG FEST AT SOUTH SOLON

The second Song Fest for the Milledgeville Methodist Charge will be held Sunday at 8 p. m. at the South Solon Methodist Church. The four churches on the charge are Center, Milledgeville, Spring Grove and South Solon. The Rev. Richard Jarvis is the pastor.

The public is cordially invited to attend this "Song Fest."

Benson Can Claim Program Success

WASHINGTON (AP)—Secretary of Agriculture Benson was in a position today to claim a degree of success for his dairy price support program.

Last spring, the secretary reduced dairy supports to the legal minimum. He said that was necessary to discourage further expansion in milk production at a time when too much was being produced.

A department report showed today that a long uptrend in milk

production has been halted. Production for the first seven months of this year totaled 78,375,000,000 pounds, down 236 million pounds from the like period last year.

A beautiful southern magnolia tree grows near the south entrance to the White House in Washington. It was planted by President Andrew Jackson as a tribute to his wife, Rachel.

Council OKs 1959 Budget, Eyes Sewage Plant Situation

City Council approved a \$358,272 budget for 1959, made a number of small appropriations for the second half of 1958, passed an ordinance regulating parking on Delaware St. and informally discussed the proposed expansion of the sewage treatment plant at a regular meeting Wednesday night.

The 1959 budget, presented two weeks ago by City Manager James F. Parkinson, calls for a general fund outlay of \$184,683 and forecasts a possible year-end deficit of \$4,392. It will be certified to the county auditor as required by law.

No formal action was taken on the sewage plant matter which was remanded for further study pending another conference with the Ohio Water Pollution Control Board. The city's request for a \$159,000 federal grant to help finance the half-million dollar program was turned down 10 days ago.

Council wants more information on the mechanics of issuing sewage revenue bonds before proceeding with the improvement which has been ordered by the OWPCB.

THE TRAFFIC ordinance prohibiting parking on the east side of Delaware St. from Market to Paint. It extends a parking ban which is now in effect from Columbus Ave. to Market St. and is designed to relieve congestion in the area.

The new appropriations and transfers which will bolster "short" funds at the expense of others which contain more money than will be needed during the second half of the current year, include a \$712.61 transfer from the Fire Department equipment fund to the kitty laid aside for a new pumper.

The pumper fund now contains \$10,000 plus a contingent appropriation of \$5,000 in the 1958 budget. The new equipment will cost between \$20,000 and \$25,000.

The sum of \$1,000 was appropriated from the street construction fund to the traffic light maintenance fund. This will cover, among other things, the removal of the present Columbus Ave. school light to Elm and Willard Sts., site of the new Eastside grade school.

2 Men Hurt As Training Balloon Falls

ASHLAND, Wis. (AP) — The crash of a training balloon gondola Wednesday night injured a balloon builder and an Air Force researcher who was preparing for a solo flight to test man's reaction to isolation in space. The test was postponed.

Capt. Grover Schock, 32, and Otto C. Winzen, 40, suffered extensive injuries when their open gondola plunged 100 or more feet to the earth after they cut loose from the balloon as it headed over Lake Superior. They apparently released the ball-shaped gondola rather than be blown over the water in darkness. They smashed into a pasture half a mile inland when the gondola's parachute failed to open.

The pair had ascended from St. Paul, Minn., 175 miles southwest of Ashland, Wednesday morning. The flight was made so that Winzen could qualify Schock for a stratosphere takeoff.

Schock was scheduled to start his 20-mile-high flight Thursday morning from an open pit mine near Crosby, Minn.

An Air Force officer said in Minneapolis that the flight had been postponed indefinitely, but will be carried out at some future date with a replacement for Schock if the officer is not able to make it.

Neighbor's Fumes Hurt Bar Business

PHOENIX, Ariz. (AP) — Alcohol and ammonia fumes are a blend that chases customers right out the front door.

Mrs. Earl Baltzer made that complaint to police Wednesday. She owns the Tip Top Bar and her grievance was directed against the Quality Blue Print Co., a next-door neighbor.

A quality employee admitted tipping over an ammonia tank. The fumes seeped into the bar and Mrs. Baltzer's customers dashed for the street.

"But two months ago was worse," she added. "A customer got sick and was carried to the car by her husband. They didn't finish their drinks or even pick up the change."

Police turned the complaint over to the health department.

Chrysler Seeks Help from Court

AKRON, Ohio (AP)—Chrysler Corp. aimed court action today at an unauthorized walkout at its Twinsburg stamping plant. It declared a serious delay is threatened in getting 1959 models into production.

The company said it was asking Summit County Common Pleas Court to enjoin the men engaged in picketing which began Monday.

proved by Council include \$800 from the sewage fund to the Public Employees Retirement Fund which is short because of personnel changes at the sewage plant; \$610 from the general fund to pay for the examination of city records by the state auditor's office; \$300 from the general fund to parking meters incidentals and \$800 from the general fund to the police incidentals fund.

Council referred specifications for the new fire pumper to the safety-service committee for study

Council 'Guest' Is Unwelcome!

The vigorously bobbing heads of city legislators didn't necessarily indicate emphatic agreement with each other at a Council meeting Wednesday night.

A bat flew into the small chamber during the proceedings and the lawmakers were attempting to keep one eye on the business at hand and the other on the unwelcome visitor who occasionally dive-bombed the legislative table.

But the coolness of City Auditor Betty Elliott was a calming influence on the male members of the group. There was no panic.

after Fire Chief George Hall appeared before the group with a copy of the plans as drawn.

The city manager reported to Council that the reconstruction of the S. North St. bridge has been completed (except for a minor paint job) at a cost of \$1,576 and that structural repairs on the W. Temple St. bridge cost \$265. Council had laid aside \$10,000 for bridge repairs during the current year.

Legislators authorized the city manager to reject a request by the Carnegie Public Library that it be exempted from sewer rental charges. Councilmen took the stand that since both the City Hall and the Courthouse are billed for sewer charges, no exception can be made for the library—especially since revenues of the sewage department are being zealously conserved to pay for the plant expansion program.

Council referred for investigation a report of holes near the curb on E. Market St. and the need for alley repairs in the 400 block of E. Market St., made by Horatio Wilson.

Councilmen agreed that the Market St. situation needs attention—particularly between the center surfacing at the curbs—but it was pointed out that an unusually rainy season has delayed many of the projects which ordinarily would have been completed before this time.

Old-Fashioned Hometown Show Used To Open Saxbe Campaign

by ART PARKS

MECHANICSBURG, Ohio (AP) —As modern as "Seventy six Trombones" and as old-fashioned as a torchlight parade, Atty Gen. William Saxbe's 1958 election campaign got off the ground Wednesday night in a cloud of dust and a sea of mud.

It was the biggest thing this Champaign County village of 2,000 population has seen—according to one resident—since the Blaine campaign in 1884.

The Republican attorney general, seeking his second term, chose his west-central Ohio hometown as the site of his campaign kickoff.

The campaign parade started at his home and cut straight through to the old fairgrounds northwest

of the village. Midway, 30 torchbearers joined the parade along with a similar number of volunteers carrying red fire. Also three bands.

Along the way, it appeared that every Mechanicsburg resident turned out to watch the parade escorted by young ladies on horseback.

The parade moved at a snail's pace. The dust clouds as the procession moved into the fairgrounds soared above the range of headlights into the murky night.

It was just what Saxbe had hoped for, an old-fashioned political parade on a sweltering summer night.

What did Saxbe say when a crowd estimated at 3,000 finally

Long Poles Used To Grab Stinker

KANSAS CITY (AP) — Sgt. Ed Leahy of the sheriff's patrol had no trouble keeping the crowd at a distance, but he definitely needed help.

"Stop by a grocery and get a big box—and get a big stick or something and run him in the box," the order came over his car's radio. "And haul him out in the country," headquarters added

gathered to listen?

This reporter cannot say firsthand. He got stuck in the mud while trying to make the simple maneuver of turning his car around to allow for a quick getaway after the meeting. By the time the car was freed, the speeches were over.

as an after thought. Finally, Wayside Waifs, Inc., a humane society was called. Using a net and chloroform—both on long poles—society workers removed a sick skunk from under a bush in a residential area and carted it away.

Hughey Legion Post Wins District Youth Work Honor

Paul H. Hughey, Post No. 25 of the American Legion has been awarded a special citation by the American Legion national headquarters, Indianapolis, for carrying out the most outstanding child welfare program in the Seventh Ohio District.

Announcement of the award was made by Paul Souther, commander of the local Post.

"Child Welfare is one of The American Legion's major pro-

grams", Souther said, "and we are proud that our efforts have been honored in this way."

The commander gave much of the credit for winning the award to Eugene Ladraet, who is child welfare chairman of the post.

THE SPECIAL citation was presented to the post by Francis Morgan, Seventh District second vice commander. It is personally signed by the American Legion's national commander, John S. Gleason, National Child Welfare Chairman Maurice T. Webb, Child Welfare Director Randel Snake, State American Legion Commander Merle Brady, State Adjutant Joseph Deuschle and State Child Welfare Chairman Robert Nitsche.

Once each year all American Legion posts are required to submit a report of their work for children and youth. It was on the basis of this report that Hughey Post was selected as having carried on the most outstanding program in the district during the past 12 months.

Among activities which won this recognition for the past, the commander listed:

The annual Christmas Party, teen dances for seventh graders and under, Boy Scout activities and cooperation with the youth work to the Ohio Soldiers and Sailors Orphans Home at Xenia.

Municipal Court Collects \$3,832

Municipal Court collections totaled \$3,832.61 for the month of July according to the report submitted to City Council Wednesday night by Judge Max G. Dice.

The collection breakdown included the following items: fines in city cases, \$1,484.90; costs in city cases, \$337.10; Highway Patrol case fines, \$454.20; fines in cases prosecuted under state laws, \$972.33; costs in state cases, \$317.99; collected as sheriff's costs \$74.06; traffic ticket collections, \$158; Court of Appeals costs, 8.03; collections for Village of Bloomingburg, \$25.

The City of Washington C. H. receives \$2,502.38 from the collection total. The sum of \$1,018.75 goes into the Fayette County treasury and \$204.39 to the State of Ohio.

Pair Accused In Giveaway Of Child, 3

COLUMBUS, Ohio (AP) — A young mother and her common law husband, accused of giving the woman's daughter away to another man, are being held today on a charge of child neglect.

Police said the man who took the girl beat her and caused welts to form on her body. Both he and his wife are missing, officers said.

Held here are the girl's mother, Mrs. Shirley Hunt, 22, and James Earl Stamp, 27, described by police as Mrs. Hunt's common law husband.

Officers said the couple gave the little girl, Jacqueline, 3, to William Matson, 34, three weeks ago. Officers quoted Mrs. Hunt as saying she didn't want Jacqueline because she didn't mind.

Matson and his wife, Nellie, 21, have disappeared, police said.

Mrs. Hunt is divorced from Jacqueline's real father. He lives in Canton, police said, but cannot be located.

Dem Leader Selected

CLEVELAND (AP)—Cleveland's new public utilities director is Bronis J. Klementowicz, Democratic majority leader of City Council.

Youth Accused In Girl's Death

CARROLLTON, Ohio (AP)—Orlo J. Beckley, 17-year-old high school youth, has been charged with first-degree murder in the death of a 14-year-old schoolmate. The charges in the July 15 shooting were brought by the mother of Thelma Sue Lloyd.

Mrs. Thelma Lloyd of Leesville filed the affidavit, charging the youth "purposely and deliberately and with premeditated malice" shot her daughter. Beckley pleaded innocent at his arraignment Tuesday.

The coroner had ruled the death accidental.

Columbus Area Electricity Fails

COLUMBUS, Ohio (AP) — An electric power failure crippled part of Columbus and Franklin County Wednesday and the worst part of it was that it happened in the busiest two hours of the afternoon.

Lights all over town went off at 1 p.m. and didn't go on again until 3.

It's still a mystery what happened. Columbus & Southern Ohio Electric Co. called it a mechanical failure, but couldn't pin down the cause. Crewmen were working late Wednesday night at three major sub stations here trying to isolate the trouble.

Buckeye Grid All-Stars Shun Ohio Colleges

Only 21 of 50 Boys Pick State Schools For Fall Enrollment

CANTON, Ohio (AP) — Foreign fields look greenest to the majority of Ohio high schools' all star football players.

Of the 50 players appearing here Saturday night in the 13th annual North-South scholastic contest, only 21 have decided to enroll in Buckeye colleges.

Seven are still undecided but 22 are definitely committed to out-of-state institutions.

Ohio State University gets seven of the players, including five backs, an end and a guard. Nebraska is next with five. Four will attend Cincinnati and three will go to Miami at Oxford.

Out-of-state recruiters did a better job in the north than among the Rebel players. Only six of the upstate squad will attend Ohio colleges while 16 will go over the border. The Rebels will send 15 to Ohio colleges and six abroad.

Here is where they are going, and their weights and all-star assignments, with the symbols "N" for North and "S" for South:

Ohio State—backs Paul Martin, Canton McKinley (185-N), Jack Wallace, Middletown (220-S), Brice Hess, Mt. Vernon (175-S), Bob Lister, Marion Harding (183-N), and Bob Ferguson, Troy (202-S); end George Whitmer, Cincinnati Purcell (190-S), and guard Jerry Harbin, Marion Harding (210-N).

Cincinnati—centers Jerry Bell, Cincinnati (195-S); and Don Ross, Lancaster (190-S); back Hurdie Phillips, Cincinnati Central (166-S); and guard Tom Reinstatler, Cincinnati Elder (180-S).

Miami—tackle Roger Vorherr, Cincinnati Western Hills (240-S), and quarterback Jack Gerhart, Fairborn (185-S).

Dayton — back Jerry Schmidt, Cincinnati Roger Bacon (170-S).

Akron—guard Owensby Pearson, Akron South (170-N).

Kent State—tackle Bill Kebrdle, Painesville Harvey (196-N).

Muskingum—back Dave Cunningham, Steubenville (165-S).

Ohio U.—end Charles Rossiaki, Columbus North (170-S).

Ohio Wesleyan—back Del Stumbo, Delaware Olentangy (175-S).

Otterbein—tackle Bob Douglas, Millin (210-S).

Xavier — tackle Mark Kracker, Canton Central Catholic (190-N).

Nebraska—backs Marvin Spencer, Youngstown South (165-N), and Fred Henning, Toledo Devilbiss (175-N); center Bill Slacas, Cleveland East, (210-N); tackle Pete Williams, Dayton Chaminade (190-S), and guard Lowell Schweickart, Ironton (200-S).

Notre Dame—back George Selek, Cleveland Benedictine (180-N) and end Les Traver, Alliance (190-N).

Michigan State—guard Pete Kabela, Toledo Libbey (200-N) and back George Huges, Steubenville (200-S).

Northwestern—tackle Carl Hilling, Akron Central (200-N) and guard Mike Niciforos, Campbell Memorial (185-N).

Indiana — tackle Bob Vecchio, East Cleveland Shaw (206-N).

Purdue — tackle Ron Skufca, Cleveland Benedictine (250-N).

Wisconsin — end Bob Copley, Portsmouth (190-S).

Georgia—backs Dan Kwiatkowski, (197-N) and Mel Shapiro (207-N), both of Toledo Devilbiss, and end Clyde Childers, Massillon (205-N).

Air Force Academy—back Nick Arshinkoff, Akron Garfield, (215-N).

Tennessee State—center Leaman Williamson, Massillon (180-N).

Dartmouth — quarterback Tom King, East Cleveland Shaw (170-N).

Kentucky—back Ted Harless, Harrison (192-S).

Miami, Fla. — guard Charles Foreman, Dayton Fairmont (190-S).

Still to choose their schools are Ivory Benjamin, Massillon back (168-N), Dennis Byinton, Sandusky end (185-N), Tom Mingo, Campbell Memorial end (208-N), Die Fahnrey, West Carrollton end (185-S), Joe Grant, Portsmouth guard (190-S), Pat Russ, Cincinnati Roger Bacon tackle (215-S), and Dave Owens, Vandalia center (270-S).

Harris Believes Long Distance To Defeat Patterson

ARROWHEAD SPRINGS, Calif (AP) — The longer the fight lasts, the better chance challenger Roy Harris believes he has to whip champion Floyd Patterson in their 15-round title fight Monday in Los Angeles.

The amiable, 25-year-old Texan, referring to his years as a barefoot brawler on his father's farm at Cut and Shoot, said:

"I always have grown stronger as a fight went along. I don't see where this 'un would be any different."

Trainer Bill Gore intimated Roy would box again today. He resumed glove drills Wednesday after a two-day layoff. The rest appeared to do him good.

Patterson, training by the sea at Oceanside, in contrast to Roy's hill country camp, planned little more than exercises.

Jeff Tops Fulton In Cage Contest

R. Jordan led Jeffersonville to a 42 to 31 win over Terry Fulton in the Basketball League at Community Park Wednesday night.

Jordan scored 12 points. Close behind him was Groves with eight.

The players, with number of points scored, were: Jeffersonville — S. Hannah O, A. Hannah 4, L. Bock 2, T. McDonald 4, R. Jordan 12, and D. Groves 8.

Fulton — J. Halthcock 9, G. Steward 6, R. Whitmore 6, E. Smith 6, T. Fulton 2, and T. Qualls 2.

Drives and Putts

After bringing home a good share of prizes from the Wilmington Golf Club (where they spent a pleasant Tuesday), the girls of the Washington Country Club found their home course a lot longer Wednesday.

Mrs. William Junk took Ladies Day honors with a 51.

Mrs. Max Lawrence shot a 54, her best of the season, and other outstanding scores of the morning were carded by Mrs. Marvin Roszmann, 55; Mrs. Wayne Shobe and Mrs. Byers Shaw, 57; Mrs. Paul Pennington and Mrs. Richard Willis, 58.

Mrs. Shaw took 12 strokes on the greens to win the low putt division. She had six one-putt greens.

Fourteen — putters were Mrs. Mary Gillespie, Mrs. Willis and Mrs. Roszmann.

MRS. LAWRENCE won the low net prize with 54-20-34. Mrs. Pennington carded a 58 - 22 - 36 and Mrs. Betty Link a 58 - 21 - 37.

The "Most 7s" prize was shared by Mrs. Robert Hagerty, Mrs. Shobe and Mrs. Bart Mahoney, each of whom had four 7s.

Other net scores were: Mrs. Mahoney, 39; Mrs. George Kratz, 48; Mrs. Junk, 39; Mrs. Neil Helfrich, 46; Mrs. Carl Mason, 44; Mrs. Roger Littleton, 47; Kristin Himmel-spach, 49; Kathleen Davis, 41; Mrs. Harry Townsend, 55; Mrs. Shobe, 45; Mrs. Ralph Bray, 44; Mrs. Gillespie, 45; Mrs. Mary Willis, 50; Mrs. Hagerty, 48; Mrs. Shaw, 40; Mrs. Roszmann, 41.

Mrs. Helfrich was hostess in charge.

SPECIAL NOTE: The Friday Night Golf League will play again this week—the same place and time.

Venturi Facing St. Paul Test

ST. PAUL, Minn. (AP) — Ken Venturi, back at the scene of his first pro triumph, defended a title and a record today in the opening round of the St. Paul Open Golf Tournament.

Venturi faced the challenge of most of the ranking pros on the circuit, including PGA champion, Arnold Palmer, Cary Middle-coff, Sam Snead and Bob Ros-burg.

They were pegged among the top favorites in the \$25,000 tournament's silver anniversary.

It was hard to tell which was in greater jeopardy, Venturi's title or the record-tying 72-hole score of 266 he shot to earn it last year at Keller Course's par 36-36-72.

Maybe Gabe Paul To Eat His Words

CINCINNATI (AP)—It might be well for Cincinnati Redleg general manager Gabe Paul to start preparing to eat a lot of words.

Several times last winter, Paul, discussing Redleg prospects, said he would "guarantee" the team would do better against Milwaukee than in 1957 when it lost 18 of 22 games to the Braves.

All-Star Gridders To Try Outpass, Outrun Pro Lions

CHICAGO (AP)—Using a double-unit backfield, the College All-Stars will try to outpass and outrun the Detroit Lions Friday night.

That is more than most of the National Football League clubs could do last year.

It is such a tall order the odds-makers think the All-Stars won't come within 13 points of winning.

The pro kings will be shooting for their 16th decision in the series. Their last defeat came when the Cleveland Browns lost 30-27 in 1955.

The ex-collegians have seven victories. Two games were tied. Otto Graham, All-Stars' head coach for the first time, knows he can't show the Lions anything they haven't seen before except new faces.

"We have a good All-Star squad but the trick is not to make too many mistakes," said Graham, who may decide he has enough manpower to relay plays to his quarterbacks in the manner of Paul Brown, his old Cleveland coach.

"We aren't naive enough to think the Lions will make many mistakes. If they do, it will be one of those breaks that might balance the game in our favor. We know we'll have trouble if the Lions feel like playing and want to win."

Graham's two-unit backfield system will key the offense. One set will be led by quarterback King Hill of Rice and include Walt Kowalczyk of Michigan State at fullback and Jim Pace of Michigan and Dick Christy of North Carolina State at halfback.

The other unit will have Jim Ninowski of Michigan State as quarterback, fullback Jim Taylor of Louisiana State, and Bob Mitchell of Illinois and Phil King of Vanderbilt at the halves.

Seldom have the All-Stars had such fine break-away runners as Mitchell, Pace and Len Lyles of Louisville, the 1957 top collegiate scorer with 132 points.

They have power and speed in such runners as John Sample of Maryland State and Kowalczyk. They have exceptional passers in Hill, Tom Forrestal of Navy and Ninowski.

In addition to the fleet halfbacks they have outstanding receivers at end—such as Fred Dugan of Dayton, Jim Gibbons of Iowa,* Bob Jewett of Michigan State and Tom Schulte of East Kentucky State.

All this plus a line that could average 234 pounds from tackle to tackle.

Little Minor and Little Major Leagues ball schedules:

Little Minor League at Armbrust Field — Thursday, Helfrich and Pennington; Friday, FOPA and Elks; and Saturday, Wizards and Redlegs.

Little Major League at Willis Field — Thursday, Chows and White Sox; Friday, First Federal and Redlegs; and Saturday, Helfrich and FOPA.

Little Major League at Wilson Field — Thursday, Cowboys and Jets; and Kernels and Cubs. Friday, Flashes and Cubs; and Realtors and Jets. Saturday, Flashes and Cowboys. (First game at 6 p. m. and the second at 7:30 p. m.)

BALL SCHEDULES for Community Park:
Men's Softball League — Thursday, Staunton and Mickie (men's field); and NCR and Thornton (girl's field). Friday, FOP and Coffman.

Basketball League — Thursday, Dick English and Webb Ellis. All games begin at 6 p. m.

Polar Bears Ride High in Ruth League

The Giron Polar Bears are currently in first place in the Babe Ruth League with a record of 13 wins and three losses.

Next to them in second place are the Bray Sportsmen who hold defeats.

The Good Hope squad is holding down the third spot with 9 wins and 5 losses. The standings of the other five teams, with wins and losses are:

Fourth, Seals 9-7; fifth, Medics 9-9; sixth, Bloomingburg 7-8; seventh, Jeffersonville, 5-10; and eighth, New Holland, 2-15.

EACH TEAM is expected to play 21 games. They will be playing at every available chance and will even schedule some doubleheaders in order to get the season finished.

Thursday afternoon, Jeffersonville and Brays played a double-header at Jeffersonville.

Thursday night at Roszmans Field will pit the Seals against the Medics and Friday night at Roszmans Field, Bloomingburg will play Giron. Game time is 6 p. m.

A Babe Ruth League exhibition game will be played Sunday afternoon at Roszmans Field between the Bray Sportsmen and Schaeffer Feeds of Cincinnati.

Golfer Chalks Up Hole in Nothing

SPOKANE, Wash. (AP) — A California golfer got a hole in nothing.

Nick Nardolillo of Spring Valley did it Wednesday on the Esmeralda Course during the pro-amateur warmup for the National Senior Open. A 17-handicap golfer, Nardolillo got one stroke on the par-3 eighth hole. He picked out a No. 3 wood and whacked the ball into the cup 208 yards away.

Because Nardolillo had a handicap stroke, the eighth hole was duly registered on both scorecard and score board as a "0".

Crawford Seeks Shot at Akins

NEW YORK (AP) — For whatever it may be worth to world welterweight champion Virgil Akins, Mickey Crawford now regards himself as the No. 1 contender for the crown.

Plum, Ninowski Picked as Top Brown QBs

HIRAM, Ohio (AP)—The Cleveland Browns have committed themselves to rookie Jim Ninowski of Michigan State as their No. 2 quarterback, behind Milt Plum.

The step was made even though Ninowski still is in the College All-Stars camp. He has had a brief appearance at the National Football League club's training camp here, however. Coach Paul Brown held a quarterback school before the training season opened, and was favorably impressed by the rookie's work.

"And Dick Gallagher (assistant coach) had a high report on him from the All Star coaches," said Brown. "So we'll sink or swim with Plum and Ninowski."

For their exhibition game Saturday night in Akron with the Pittsburgh Steelers, Plum will do most of the work. Defensive back Bobby Freeman has kept up to date on the Browns' offense, and having been a passed at Auburn, can fill in if needed. He will be Plum's understudy until Ninowski learns the Browns' plays.

The sink or swim decision resulted in the release of Jim Haluska, former University of Wisconsin quarterback. He came to the Browns last year on a trade with the Chicago Bears. He had a brief tryout then.

Haluska was not mobile enough to be very impressive in last Saturday's scrimmage, while Plum was away on an army reserve assignment.

So Brown decided to let him go while there still was time to try for a job with another club. Haluska said he might try for a Canadian football job.

Colgate's first football victory over Syracuse came by a 19-14 score in 1950.

Those Stumbling Reds Keep Leading Milwaukee in Black

By THE ASSOCIATED PRESS

The Reds are keeping the Milwaukee Braves in the black in that National League pennant race.

After losing a two-game series at Pittsburgh, the Braves got well again at Cincinnati Wednesday night, sweeping the Redlegs 9-2 and 4-2 in a two-night double-header. That gave the world champs, who were 18-4 against the Reds last season, a 10-3 record against Cincinnati and a 5½-game lead over the pesty Pirates, who outlasted Philadelphia 10-9.

The Bucs now have won seven in a row — their longest success story since 1949, when they won eight straight.

Third-place San Francisco rapped St. Louis 11-2, and Los Angeles escaped the cellar (while Cincinnati tumbled in) by beating the Chicago Cubs 6-5 in the other NL games.

A pair of solo, sixth-inning home runs by Ed Mathews and Andy Pafko bagged the nightcap for the Braves as Lew Burdette won his 12th with a six-hitter. Starter Alex Kellner gave up both blows for the loss.

Joe Adcock's two-run 15th homer put the opener out of reach in a three-run first inning against Joe Nuxhall (9-9). The Braves then made it a rout with six in the eighth, with winning pitcher Juan Pizarro and Pafko each hitting two-run singles.

The Pirates rushed to a 6-0 lead in two innings on a pair of two-run homers by Bob Clemente and Bill Mazeroski's one-on shot off loser Jack Meyer (1-6). Ted Kluszewski hit two doubles and a triple.

Bob Smith won his first, in relief, but Vern Law had to get the final out after the Phils, who closed the gap on a pair of pinch-hit, three-run homers by Rip Repulski and Bob Bowman, scored another three in the ninth, two on Willie Jones' homer.

Rookie Jim Davenport, Valmy Thomas and Willie Mays homered for seven San Francisco runs while Ruben Gomez won his seventh with an eight-hitter. Wilmer Mizell (8-8) lost it.

The Dodgers, blowing a 5-0 lead, finally made it with one out in the ninth when Don Zimmer singled and Elmer Valo followed with a pinch double off losing reliever Don Elston (7-7). Fred Kipp (5-4) won it in relief.

A couple of patsies had themselves a ball Wednesday night in the American League.

The Washington Senators, who hadn't beaten Whitey Ford in almost four years, rapped the New York Yankees' stubby southpaw ace but good in a five-run eighth for a 9-4 victory.

And the Baltimore Orioles, who had lost seven in a row to Frank Sullivan of Boston, beat the big right-hander for the first time since Sept. 9, 1956, with a 2-1 victory over the Red Sox.

These turn-outs cut the Yankees' lead to 14½ games over second-place Chicago and dumped Boston into a third-place tie with Detroit. The White Sox split a two-night pair with Kansas City, winning 6-5 after an 11-inning 2-1 defeat. The Tigers swept two from Cleveland 6-2 and 3-2.

Ford, now 14-6, last lost to Washington Sept. 20, 1954. He had won 12 in a row since, three this year. Roy Sievers, the defending champ, tied Mickey Mantle for the

AL lead with his 33rd home run, a two-run shot in the fourth.

Eddie Yost and Clint Courtney also homered for the Nats. Courtney's also was a two-run blow, capping the big eighth that bagged it after Norm Siebern and Hank Bauer had hit successive homers for a 4-3 Yankee lead in the sixth. Truman Clevenger (7-8) won it in relief.

Gene Woodling drove in both Orioles runs, breaking up a 1-1 tie with a single in the fifth. Arnie Portocarrero (12-7) made it five straight over Boston with Billy O'Dell's relief help.

Harry Simpson's home run won the opener for the A's, ending Dick Donovan's winning string at six. Ned Garver won his 10th with a seven-hitter, although walking six.

The White Sox nailed the nightcap with two out in the ninth on Billy Goodman's bases-loaded single off losing reliever Bob Grim.

Bob Shaw won it in relief after the A's chased Jim Wilson in a five-run fourth capped by Roger Maris' grand-slam home run.

Herb Moford allowed only three hits in the nightcap at Cleveland. He gave up a home run to Vic Power and a double and RBI triple to Rocky Colavito, the Injun outfielder who worked three hitless, shutout innings of relief in his pitching debut. Coot Veal's sacrifice fly tagged Hoyt Wilhelm with his sixth defeat in the seventh inning.

The Tigers took the opener with seven consecutive hits in a five-run fifth inning.

Danny Ane, sophomore full back at Michigan State, is the brother of Charlie Ane, center for the Detroit Lions.

Shucks, Everyone Is a Poor Driver

ANN ARBOR (AP)—You're a poor driver. So is everybody else. At least that's the opinion of Joseph Zabelski. He's a safety education consultant for the Auto-mobile Club of Michigan, and says nobody really is a very good driver.

"You can turn out skillful drivers but even they have their moments," he said. "In fact about 95 per cent of the good drivers have accidents. They get bored with driving and tend to become distracted."

He spoke at a University of

Michigan conference on driver education.

Fayette County School Faculty Now Complete

All Vacancies Are Filled in Rural District

All teaching and administrative vacancies in the Miami Trace rural school system have now been filled, County Superintendent W. J. Hilty disclosed Thursday noon.

A. B. Conrad, formerly of Muncie, Ind., has accepted the coaching position at New Holland, and J. G. White, former teacher at Bloomingburg, and Mrs. John Snyder, wife of the Presbyterian minister, will fill the Madison Mills science-mathematics vacancy, each on a half-time basis.

The Olive school principalship has been filled, although details of the arrangement are being withheld pending an official agreement, Hilty said.

Kenneth Craig, former executive head of the New Holland schools, will teach mathematics and science at Bloomingburg, and Mrs. Matthew McDonald, who has been teaching at Chaffin, has been reassigned to Staunton as a teaching principal.

Norman Clibourne, Columbus, has been employed to teach the fifth and sixth grades at Chaffin.

Albert Isham, Waverly, will teach science and mathematics at New Holland High School.

Moon Rocket To Send Back Data on Trip

INGLEWOOD, Calif. (AP) — A rocket's own story of its trip toward the moon is scheduled to unfold in an auditorium here.

Informed sources say the Air Force will fire its first rocket at the moon next Sunday from Cape Canaveral, Fla.

Once the rocket flashes into space, its scientific devices will tell the Air Force hopes, send back information about the historic journey.

Half a dozen stations around the world will start tracking it. They are in Manchester, England; Singapore; India; Hawaii; Florida; and California.

Their raw information will be flashed here by code to be fed into electronic computers and correlated.

The findings will be announced simultaneously in Washington, Cape Canaveral and here.

The tracking hub is in the heart of the Ramo-Woodbridge Corp. complex, where the Air Force Ballistic Missile Division makes its headquarters.

As soon as progress reports and other data from the rocket are compiled in Ramo-Woodbridge's space technological laboratories, they will be announced in a news headquarters set up in a Ramo-Woodbridge building.

The news center—a big auditorium—will be dominated by a lined screen called a Probograph. On this giant chart, a moving line will disclose the rocket's expected 25,000-mile-an-hour approach to the vicinity of the moon. There will be at least four progress reports a day.

This was the only business transacted at the meeting.

Senate Passes Education Bill

23,000 Scholarships To Be Awarded Yearly

WASHINGTON (AP) — The Senate has passed a broad federal aid to education bill designed to help meet the challenge flashed by Soviet scientific advances.

The bill was passed 62-26 Wednesday night after a session lasting 14 hours. While generally similar to a measure passed by the House last week, there are differences that remain to be compromised.

Cost of the Senate bill was estimated at about \$1,300,000,000. The House measure would cost about 910 million dollars.

A feature of the Senate bill is provision for the award of about 23,000 college scholarships annually to outstanding students, particularly in the fields of science, mathematics and foreign languages.

The House eliminated competitive scholarships, voting instead to earmark the money for a student loan program.

The Senate, however, scaled down the amount of scholarship awards provided in its bill by adopting 46-42 an amendment sponsored by Sen. John S. Cooper (R-Ky.).

The amendment would limit individual scholarship grants to \$250 a year, or a total of \$1,000 for four years of college. But it would permit needy scholarship winners to borrow up to \$750 a year from the government.

The bill, as recommended by the Senate Labor and Public Welfare Committee, provided for lifetime grants of \$500 a year, plus additional grants up to \$500 a year based on need.

The effect of Cooper's amendment was to reduce the estimated cost of the scholarship program from 280 million dollars to 80 million.

Elvis Presley's Mother Is Dead

MEMPHIS, Tenn. (AP) — Mrs. Vernon Presley, mother of rock 'n' roll singer Elvis Presley, died today. She had been hospitalized earlier this week with a liver ailment.

Attendants at Methodist Hospital said Mrs. Presley had been in a serious condition but she had been reported in improved spirits after visits Wednesday from her son.

Mrs. Presley's husband was at her bedside when she died, but Elvis was not in the hospital at the time.

Elvis, now an Army private at Ft. Hood, Tex., was granted an emergency seven-day furlough to visit his mother, who entered the hospital Sunday. He flew here Tuesday night.

Industrialist Dies

CANTON, Ohio (AP) — Enos A. Stewart, 88-year-old former president and general manager of Stark Ceramics, Inc., died Wednesday at his home. He also was founder and general manager of Stark Brick Co.

Mainly About People

Mr. and Mrs. Jerry Meadows (Mary McDonald), Paoli, Ind., are the parents of a daughter born in the Memorial Hospital, Salem, Ind., Wednesday night. Grandparents are Mr. and Mrs. A. B. McDonald, 826 Dayton Ave., and Mrs. Wanda Meadows of Paoli, Ind. The Meadows have two other daughters.

Mrs. Flo Passwaters and granddaughter, Dea Sue Passwaters, of Mt. Sterling, have been the guests of Mr. and Mrs. David F. Betts, 839 Lincoln Dr.

Mr. and Mrs. John Cameron (Beatrice VanZant), Columbus, announce the birth of a daughter, Linda Rae, in White Cross Hospital, Columbus, Wednesday. Mr. and Mrs. Paul Cameron of Greenfield and Mr. and Mrs. C. R. VanZant of Washington C. H. are the grandparents.

Cynthia Jo is the name chosen by Mr. and Mrs. Lyle Fuller, Route 1, Frankfort, for their daughter born in Memorial Hospital Sunday.

Mr. and Mrs. Kenneth Groves, 228 Water St., have chosen the name Kenneth Lewis Jr. for their son born in Memorial Hospital Monday.

Hospital Treats 3 Injury Victims

Ray White was admitted to Memorial Hospital Wednesday after he twisted his left leg while baling hay on his farm near Mt. Sterling.

White's condition was reported as "good" Thursday morning.

Bill Matson, 5, son of Mr. and Mrs. Matson, 213 N. Fayette St., fell from the porch at his home and was treated for lacerations over his right eye. He was released.

Also treated and released was Joyce Ann Newland, 6, Route 2, Leesburg. She caught her right hand in a car door while playing, and received lacerations of her index finger.

'Hire Now' Committee Maps Campaign Plans

Members of the "Hire Now" committee discussed future plans at a meeting Thursday morning. Larry Soldan is chairman. A letter was sent by the committee to all members of the Chamber of Commerce, asking their support and cooperation in the campaign sponsored here by the C of C.

The committee plans to work on agricultural employment as the next step in the campaign.

Celina Aide Honored

PORTLAND, Ore. (AP) — Mrs. Gertrude McCain of Celina, Ohio, was named secretary-treasurer of the National Assn. of County Recorders and Clerks at its annual meeting here.

Of the five largest cities in the country, Los Angeles alone shows an increase in marriages in 1957.

Chest Agency Budgets To Be Reviewed Friday

Participating agencies will submit their programs and budgets to the Community Chest Friday, according to Robert Boyd, president.

The budget committee will meet at 3 p. m. to go over fund requests that have been submitted to the Community Chest by these agencies. Representatives of the groups will not attend the meeting to be conducted by Walter Rettig, chairman.

The agencies are asked to send a representative to the social planning committee meeting Friday at 8 p. m. in the Chamber of Commerce office, Boyd said. Several members of the board and representatives of the agencies will consider the programs to be presented.

This can help eliminate overlapping activities, Boyd said. Following the two meetings, recommendations will be presented to the board of directors.

The final goal of the Community Chest and the budget for each group will be determined at a board meeting, probably by next week.

One new group, the YMCA has asked to participate this year. Since they will not hold classes this year the Fayette Council for Retarded Children has withdrawn as a Community Chest agency.

BPW To Hear Sociologist

A talk on "Women in the Modern World" by Dr. Rex M. Johnson, executive director of the Montgomery County Mental Health Assn. will be the feature the next meeting of the Business and Professional Women's Club Tuesday at the Country Club.

Dr. Johnson is a graduate of Muskingum College. He holds a doctorate of philosophy from Ohio University and has studied at the Universities of Minnesota and Chicago.

Dr. Johnson taught sociology at Lake Erie College, Painesville, for 12 years and was in community organization work in Rochester, N. Y., for 12 years. He has been in his present position for two years.

The program is being arranged by the Health and Safety Committee with Mrs. Harold Slagle, chairman. Others on the committee are Mrs. Robert Bishop, Mrs. Sydney M. Bloomer, Mrs. Guy Coe, Mrs. Homer Emery, Mrs. Howard Gregg, Miss Ilo Larrimer, Mrs. Clara Belle Patton, Miss Helen Slavens, Miss Adelaide Wigginton and Mrs. O. T. Winter.

Water Heater Damaged By Blast, Flash Fire

An exploding hot water heater sent firemen on their fourth run in three days Wednesday afternoon.

The heater blast was at the home of John Rosa, 602 Rawlings St. The explosion caused a flash fire that was soon extinguished.

The only damage was to the hot water heater, firemen said.

Opinions Differ In Minor Crash

Conflicting opinions on the direction of a turn signal were aired to sheriff's deputies by the drivers involved in a two-car accident on the CCC Highway just west of the city limits Wednesday at 12:35 p. m.

Russell W. Arey, 40, Cincinnati, said he was following a car driven by Sam Morris, 68, of 616 Delaware St., when Morris made a left-turn signal and turned right. Morris told sheriff's deputies he used the right signal—and was turning right when the Arey car hit his vehicle.

Neither driver was cited. Damage to both cars was minor.

Accused of Assault

Earl West, Bookwalter, has been charged with striking John Archer, 9; by the latter's mother, Mrs. Loretta L. Archer, also of Bookwalter.

West, was cited to appear in Municipal Court Friday to answer the assault count.
